(Joe Mitchell)

Goal: 501(c)(3) non-profit organization in USA

- ▶ Collect donations (corporate, institutional, individual)
- ▶ Deposit surpluses from (some) SoCG events
- ▶ Build a fund to serve as financial backstop for SoCG events
- ▶ Other possible uses for funds: prizes, student support, insurance for events, etc.

Issues:

- ▶ SoCG events all over the world– multiple funds/currencies?
- ▶ Cost of setup, paperwork/effort to manage

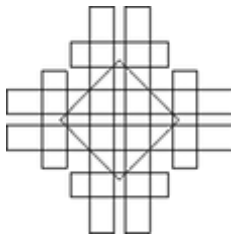

(Jack Snoeyink)

- ▶ WAFR'16 (Danny Halperin)
- ▶ Women in Computational Topology Workshop (Erin Chambers)
- ▶ 26th Annual Fall Workshop on Computational Geometry (Joe Mitchell)
- ▶ Alenex'17 (Sándor Fekete)
- ▶ Spanish Meeting on Computational Geometry'17 (Vera Sacristán)
- ▶ Intensive Research Program in Discrete, Combinatorial, and Computational Geometry'18 (Vera Sacristán)

Thank you
