LIPIcs: Leibniz International Proceedings in Informatics

LIPIcs—Leibniz International Proceedings in Informatics is a series of high-quality conference proceedings across all fields in informatics established in cooperation with *Schloss Dagstuhl—Leibniz Center for Informatics*.

LIPIcs volumes are peer-reviewed and published according to the principle of OpenAccess, i.e., they are available online and free of charge. Schloss Dagstuhl institutes an Editorial Board to assure the high scientific quality of the series by overseeing the selection of the conferences to be included.

For detailed information, please refer to the [announcement](#) of the series.
LIPIcs is published on DROPS (Dagstuhl Research Online Publication Server).
Technical and administrative details can be found on the [DROPS](#) webpages.

Proceedings

The screenshot shows the website for Schloss Dagstuhl, Leibniz-Zentrum für Informatik. The header includes a logo of the castle and the text 'SCHLOSS DAGSTUHL Leibniz-Zentrum für Informatik'. There are navigation tabs for 'About Dagstuhl', 'Program', 'Publications' (highlighted), 'Library', and 'dblp'. A breadcrumb trail reads 'You are here: Publications > LIPIcs'. The main heading is 'LIPIcs: Leibniz International Proceedings in Informatics'. Below this, there is a description: 'LIPIcs—Leibniz International Proceedings in Informatics is a series of high-quality conference proceedings across all fields in informatics established in cooperation with Schloss Dagstuhl—Leibniz Center for Informatics.' Another paragraph states: 'LIPIcs volumes are peer-reviewed and published according to the principle of OpenAccess, i.e., they are available online and free of charge. Schloss Dagstuhl institutes an Editorial Board to assure the high scientific quality of the series by overseeing the selection of the conferences to be included.' A final paragraph says: 'For detailed information, please refer to the announcement of the series. LIPIcs is published on DROPS (Dagstuhl Research Online Publication Server). Technical and administrative details can be found on the DROPS webpages.' On the left, there is a sidebar with a 'LIPIcs' section containing links: 'To the Publications', 'Aims & Scope', 'Editorial Board', 'Editorial Policy', 'How to Apply', 'Article-Processing Charge', 'Instructions for Authors', 'Informations for Program Chairs', 'FAQs', 'OASlcs', 'LITES', and 'DARTS'. A 'To the Publications' button with the LIPIcs logo is also visible.

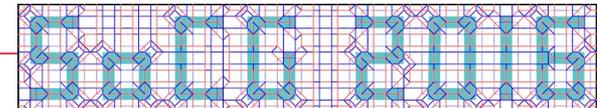

The screenshot shows the OpenConf interface for SoCG 2016. The title is 'SoCG 2016' and it is identified as an 'OpenConf Conference Management System'. There are navigation links for 'OpenConf Home' and 'Email Chair'. Under the heading 'Authors:', there are two lists of links. The first list includes 'Submit a Paper' and 'Edit Submission'. The second list includes 'Re-Upload Paper (PDF)', 'Re-Upload LaTeX Sources', and 'Re-Upload Author Agreement'. Under the heading 'Program Chair:', there is a link for 'Sign In'. At the bottom, it says 'Powered by OpenConf' and 'Copyright ©2002-2007 Zakon Group LLC'.

Awards

- Number of papers called
“The Number of Holes in the Union of Translates of a Convex Set in Three Dimensions”
winning best paper award: **1**
- Number of papers with authors named
Boris Aronov, Otfried Cheong, Michael Gene Dobbins and Xavier Goaoc
winning best paper award: **1**
- Number of papers with other titles
winning best paper award: **0**

- Best student presentation award:
To be announced on Friday!

Thanks!
