

The 39th International Symposium on Computational Geometry (SoCG 2023) is planned to be held in Dallas, Texas, June 12-15, 2023, as part of the Computational Geometry (CG) Week.

The conference received 175 submissions and, after a thorough review process, in which each paper was evaluated by three or more independent reviewers, the program committee accepted 61 papers for presentation (acceptance rate: 35%).
