

CGWeek: Multimedia Exposition

- Six submissions (similar to previous years)
 - 3 videos
 - 2 apps + video
 - 1 video + app
- All accepted (after major revision)
 - Slides + voice over = 😞
- First time asking for preview videos (for apps)
- **Very creative** submissions
- Two sessions (plenary and Q&A in coffee break)

- March 10 Multimedia submissions
- March 24 Notification of acceptance/rejection
 - April 7 Final version for abstracts
 - May 19 Final version for submissions
- July 4-7 CGWeek 2017

March 10 Multimedia submissions

March 24 Notification of acceptance/rejection

April 7 Final version for abstracts

May 19 Final version for submissions

July 4-7 CGWeek 2017

- Same relative dates as 2016
- (soft) deadline extension given

■ from PC

- 😊 Added information on free software. Used by some authors
- 😊 Lots of support from steering committee
- 😊 Always ask for previews
 - 😊 Easy to review, display, try, etc.
 - 😞 Extra work for authors
- 😞 (improvised) Major review needed for some submissions
 - 😊 Formal two stage process?
- 😞 Emphasize we do not want slides + voice
- 😞 CG:MME split into two different days
 - 😊 Easily fixed
- 😞 E-mail submission cumbersome → use Easychair

- 😊 ?
- 😞 ?

- Do we want to maintain previews for non-video submissions?
- Do we want to allow slides + audio?
- YouTube submission compulsory?
- Any reason for not using Easychair?
- Do we want overall more submissions?
 - How to motivate?
 - Best submission award?
 - More pages in proceedings?
- How is interaction during CG Week?
 - Increase/decrease plenary time/Q&A session?
 - Other ideas?
