All reviewed all

100% acceptance

Perfect balance between types

- 50% video
- 50% applet

Dates (\approx 2020 \approx 2019 \approx ...)

- Feb 17: Abstract and media portfolio submissions due
[Side pieces: cfp'20 ~~ME'20~~, ~~cfp'21~~ (known virtual)]
- Mar 10: Notification of acceptance (some contributions may be ~~conditionally accepted~~, pending addressing comments)
[good contact with authors *before* submission]
- March 18: Final version of abstracts [LIPICs]
- ~~May 7~~: Final version of media portfolios

Big Q: small # of submissions (2)

ME contribution = ticket to CGWeek?

grants/bosses require presentation/publication

ticket to GatherTown (= registration) is cheap

travel funds are largely unused

Outlier? (Hopefully never collect enough data)
